CHIDAMBARAM CAMPUS

CBSE Excellence Since 2012

Founded in 2012, Athena Global School serves over 1,100 students with a child-centred CBSE curriculum. An advisory board of distinguished educators periodically reviews and enhances our educational framework to keep pace with global standards.

AGS is an inclusive school — supporting high performers to excel while providing extra care for students who need it, through strong built-in SOPs from teacher recruitment to continuous student monitoring.

Vision, Mission & Core Values

Our Vision

"To be the most trusted school network in India, where every child is known by name, inspired by purpose, and equipped to lead a life of meaning, contribution, and joy."

Our Mission

To deliver world-class, holistic education that develops the whole child through three commitments:

01 IGNITE

Spark a deep love of learning through inquiry-based, experiential pedagogy.

02 EQUIP

Build future-ready competencies: critical thinking, creativity, collaboration, and digital fluency.

03 INSPIRE

Shape young people of strong character — courageous, compassionate, committed.
